of the Mattapoisett Board of Selectmen by unanimous vote. John DeCosta who relinquished the gavel to Mr. Blasdale was elected clerk.

### PRESENT PETITION

Mr. and Mrs. James Harris appeared and presented a petition to bar the easement to Goodspeed Island. Mrs. Harris said that she and her husband feared a traffic annoyance from cars traveling to and from the "island". She said that even now with the road closed by chain there are vehicles climbing the embankment and traveling the right of way. Chairman Blasdale informed the HARRISES that the vote of the Town Meeting did not give a right of way but simply authorized the Board of Selectmen to negotiate terms and conditions and to act in behalf of the town should it appear to be in Mattapoisett's best interest. Mrs. Harris said the petition bore 37 signatures and that she and others were prepared to gather the 200 needed for a Special Town Meeting should it become necessary.

### REALTOR'S DEVELOPMENT

Realtor Frank Sylvia told Selectmen that most people he had talked with since the Town Meeting had assured him that they

rezoning (Article 39) which would have created a 20,000 square foot residential district would have been approved had the area involved been smaller in scope. Mr. Sylvia said that his development is aimed to attract retired people who want less land to care for and that he is installing sewer pipes to take care of the whole development. Otherwise he would not consider the smaller lot size justified. He said that the scope of Article 39 was expanded beyond his development because much of the land was already built upon and that otherwise spot zoning might have been charged by authorities. He asked Selectmen to seek a legal opinion as to what if anything the Board of Selectmen can do in his case. He explained that if the lot size must be changed the added expense would make the homes affordable only to young executive-type families and out of the range of retired people. The Selectmen agreed to seek town counsel advice on the matter.

In the same vein Chairman Blasdale noted that the town has authorized a survey and

voted \$10,000 for it to determine where the sewer line should be extended. (Mr. Sylvia is installing sewer pipe in his development but no extensions have yet

been approved although many requests are on file.) The Rev. Paul Myers speaking on behalf of Mr. Sylvia said that it would be wonderful to expand the sewer in small yearly steps.

Mr. Blasdale said that sewer extension depended upon Fairhaven's treatment plant capacity for Mattapoisett which is still to be contracted for to take care of future needs. The survey is for the purpose of determining that need.

### REVENUE SHARING

The second of four Revenue Sharing payments for Entitlement Period II was received in the amount of \$21,615. Selectmen noted the Revenue Sharing is down 20% from \$127,000 to \$108,000 in yearly receipts. Selectman John DeCosta said that in meeting with state and county people he had gathered that Federal Revenue Sharing to cities and towns was expected to be continued at least for 1981. Not so sure is the Revenue Sharing to the State which is very serious because it is used for special needs in the school system. Mr. Blasdale asked Mr. DeCosta to keep abreast of the situation for the Board.

between the hours of noon and 9 p.m. He explained that it would be a way to attract more people in a very difficult economic climate. He would have someone on the porch at all times to maintain an orderly quiet atmosphere. Selectmen Hubbard and DeCosta both said that the porch must be screened. Mr. Goddu replied that this would spoil the very atmosphere he hoped to create and the view he would like to leave open. Mr. Blasdale took the position that on the basis of past performance which has been excellent the Inn should be given a chance to prove itself. Both Mr. Hubbard and Mr. DeCosta opposed the open porch but said that should the season work out well with screens they would examine the concept again next year.

### ORR GIRLS IN SOMERSET RELAYS

On Saturday, April 12th, the ORR Girls' Track Team competed in the 11th Annual Somerset Relays and came home with the first place trophy.

Sixteen schools participated, with ORR compiling 36 1/2 points, 10 points more than second place North Attleboro who had 26 1/2.

It was a fine team effort, since we have been not 100% healthy all year long. The girls gave a great deal of themselves and have served this community well. We had hoped to finish in the top five, but as you see we did much better.

Events and those placing in the meet were: Shuttle Hurdles (setting a new Meet Record),

### MATTAPOISETT POLICE ACTION

In the interest of informing Mattapoisett homeowners so that everyone can be in-  
formed as to unlawful actions in the town  
and take proper precautions, Police Chief  
Duane Tuttle is making available these  
weekly excerpts from the police log. Chief  
Tuttle notes a trend toward breaks into  
homes in daylight hours. Any suspicious  
activity in your neighborhood can be quick-  
ly checked if reported to the control cen-  
ter at once and may save your neighbor  
a loss of property. The police number,  
758-2323, is for such calls; the emergency  
number is 911.

This week, April 10 to April 17, 1 house-

## Letter to the Editor

I voted for the reduction of the regional school budget at Town Meeting and take exception to the letter in the Presto Press, 4/16/80, by Mrs. Hottel where she claims we taxpayers were misled, misguided and confused. I have served on the regional committee more than twice the number of years as she and have studied 7 years worth of budgets.

At Town Meeting Mrs. Hottel spoke in favor of a budget increase of 18.3% and claimed we, the school committee, had control over only 1.1% of our budget, which is

## Makes your mop and waxer obsolete!

ROLL-O-MATIC Mop never drips. Is convenient for washing walls, ceilings and perfect for washing windows. The rollers do all the work - no more bending or stooping. Hands never touch the water.

ROLL-O-MATIC Mop is excellent for waxing floors - no need to change mophead. Spreads wax evenly. The specially designed ROLL-O-MATIC mophead prevents scratching furniture and baseboards.

ROLL-O-MATIC wrings out the mop quickly and easily ... just pull up the lever and the rollers squeeze out excess water and dirt. Hands stay dry and clean.

utter nonsense. I find it incredible that once a person is elected to a seat on the school committee they lose all responsibility to those who elected them and take refuge behind fiscal autonomy. Their campaign promises of the best education for the tax dollars spent vanish and are quickly forgotten.

Instead, these promises are replaced with increased spending in the name of quality education. State reimbursements intended to relieve the local tax burden are quickly applied to exorbitant budget increases and we are told that a budget increase of 18.3% (\$2,661,182 to \$3,148,717) is really only

6.5%.

The Finance Committees of the three towns expressed their concern to the School Committee over the 18.3% increase this year in light of the fact our student enrollment has decreased steadily since budget year 1975-76:

75-76, 1226 students, 67 teachers, \$1,821,059, \$1,484 per student.

80-81, 1111 students, 75 teachers, \$3,148,717 \$2,834 per student.

This concern was met with a disgusting all-out attack on these Finance Committee members in attendance by a majority of the School Committee claiming the Finance Committees had no right to question our spending because they hadn't attended all our meetings.

Mrs. Hottel chastised our Selectmen and Town Meeting voters for the same reason. Evidently the whole parade is out of step except for Mrs. Hottel.

After Monday night's vote at Town Meeting the School Committee met. Mattapoisett's action the night before was discussed; however not in the light that the people who

Ah, the arrogance of power - how sweet it is!

### MANHATTAN AFTER DARK

Bishop Stang High School's tremendously popular and successful fund raiser Manhattan After Dark is due solely to the remarkable cooperation and efforts of a large number of devoted people.

The Manhattan committee would like to take this opportunity to commend all those present and past parents, faculty, alumni, and students who had a role in this gigantic extravaganza.

We take particular pride in thanking the extraordinarily large number of "friends", those persons not directly affiliated with Stang, who volunteered their time, energy and resources.

We would also like to thank all those who attended Manhattan. Without your exuberance the weekend would not have taken the direction it did.

But above all, the committee is extremely grateful to each and every one of you for your role in helping Stang and its students. The school has provided quality education to area communities

The Easter Seal Society especially appreciates the enthusiasm and interest the students have taken in raising money to help physically disabled people. So often we read of the social problems of young people - it is refreshing to observe that there are some very caring, sensitive students in Mattapoissett. Sincerely,

### BOYS' TENNIS

won again 6-2, 6-3. John Marvin won also, 6-0, 6-4; and Dave Russell won it 6-0, 6-3. In doubles the combination of Panek and Douglass winning 6-3, 6-1. The other doubles match was called a draw because of the weather after the team of Lorenz and Bridge had finished two games, losing the first 3-6, and taking the second 7-5.

But the 3-2 record for the Bulldogs was soon changed to the present record of 3-3. The Bulldogs lost this match 4-1 but Dave Russell won in singles 6-3, 7-6.

After the week was finished Coach Hohne commented the reason for the improvement was that the team began to execute the fundamentals. Coach Hohne also added that Peter Gardner is doing an excellent job in both singles and doubles.

### GIRLS' TENNIS

The girls' tennis team this season has compiled a 3-2 record. As Coach Johnson put it, "Why dwell on losses", so we'll go

right to the victories. ORR's first victory of the season was against the Falmouth team as the girls aced them 5-0. In the singles it was Moira Clancy, Tracy Tichon, and Tara Tichon.

ORR went on to beat Dennis-Yarmouth 3-2. It was all singles for ORR as Sue Normand, Tracy Tichon, and Tara Tichon all won.

In the girls' last match they met Barnstable and won 3-2. Again it was all the singles: Moira Clancy, Tracy Tichon and Tara Tichon.

### SOFTBALL

In the victory against Dartmouth, ORR put the game out of reach early with a 12 run third inning explosion which was highlighted by the key hits of Tracy McGrath, Darcy Pina, Ann LaClair, Chris Hubbard, and Mary Crowe. The Bulldogs put together a rousing 17 hit attack to win easily. Doreen Grenier got the credit for the victory.

In Barnstable an eight run seventh inning explosion enabled ORR's softballers to notch a third straight SMC eastern division victory over previously unbeaten Barnstable. Trailing 11-7 going into the last inning ORR used four timely hits, four walks, an error, and a perfectly executed squeeze bunt to take a 15-11 lead. Barn-

stable rallied for three runs in the bottom of the inning but grounded out, ending any hopes the raiders had of catching the locals. Lillian Poitras went 3-5 with 4 RBI's and two superb defensive plays. The girls are now 4-1.

## BASEBALL

The Bulldogs had but one game this week, against Westport which they won 3-1. Marc Beaulieu did a fine job for the Bulldogs on the mound. The locals scored in the third as Mark Hartley walked, got to second on a Jason Beardsley sacrifice, went to third on a flyout, and reached home on a single by Beaulieu. Other runs were

made in the later innings. Mike Xavier Tom Majestic, Marc Hartley and Carlos Coelho all did well at the plate.

### CHILDREN'S MUSEUM SCILLABRATION LIFTS OFF

On Saturday, May 3, the Dartmouth Children's Museum will take flight on a major fund-raising celebration. This year, the Museum's Annual Spring Scillabration will be held at the Dartmouth Middle School and, according to Scillabration organizers, will be bigger and better than ever.

The most uplifting event of the Scillabration will be a 65,000 cubic foot hot air balloon which, inflated, will tower six or seven stories above the Middle School grounds.

The multi-colored balloon and wicker passenger basket are owned by their builder, Manny Rebello, operator of the Have Wrench Will Travel Garage in South Dartmouth. The balloon, with propane burner capable of 7 million BTU's, will be on display Saturday and will lift off at about 2 p.m. Because of safety considerations only the regular balloon crew will be allowed aboard.

Other major events will include all-day performances by the Backstage Mimes from SMU, several giant reptile shows, magic shows and on-going "table magic" by magician Jim Pequita, performances by the Dartmouth High Band and the Elementary School Band, a no-pet-too-peculiar pet show, and a costume parade with prizes in four categories (American History, Storybook Characters, TV/Movie Personalities and Critters & Creatures from Nature).

Pre-registration is encouraged but not required for the Pet Show, the Junior Olympics (ages 5 to 12) and the Costume Parade. To register, call the Museum at 993-3361.

Numerous other events will provide Scillabration-goers with food, fun, prizes. Craft displays, new games, face painting,

In the past, the spring Scillabration has been held at the Museum Outdoors on Old Westport Road, Dartmouth. The site change to the Middle School is part of the Museum's attempt to attract more people to the annual fund-raiser festival. The larger Middle School grounds also mean more events will be possible.

The UPLIFTING theme of this year's event (as dramatized by the giant balloon) is significant since Museum Directors hope to realize substantial funds to be used in the planning and construction of a new and larger Museum to replace their Russells Mills facility damaged by fire last fall. Preliminary building discussions have centered upon a modern, solar heated building which

Ondekoza -- the Japanese Demon Drum Group which the Boston Herald said "blew Boston minds like confetti -- a thrilling, even magical experience" will storm on to the stage of the Southeastern Massachusetts University auditorium on Saturday, April 26, at 8:00 p.m.

Ondekoza is a presentation of the SMU Cultural Affairs Committee.

"We are proud to bring to the area another extraordinary theatrical event," says Professor Vincent F. Luti, Ondekoza co-ordinator. "Ondekoza appeared at SMU two years ago in a production that had the capacity audience stomping and cheering. It's a spectacular show of music, dance and theater with a large all-Japanese cast, which was chosen by the Olympics Cultural Commission to perform at the 1980 Winter Olympics.
